Writing

We bridge the gap between capital and sustainable development, creating value that lasts for generations.

Who We Are

Greeny is a premier investment advisory firm dedicated to the green economy. We partner with visionary leaders to finance and build infrastructure that respects our planet while delivering superior returns.

Notes

- Change **Investing in a Sustainable Future** to **Your Partners in a Sustainable Future**

- Change write up to **We bridge the gap between impossible and possible - supporting the mobilisation of capital for sustainable development, and creating value that lasts for generations.**

- Under **Who We Are** change write-up to:
  - Greenfields is a premier independent advisory firm dedicated to the development sustainable infrastructure and industries. We partner and work with and within countries in developing economies to develop, mobilise finance, build and operate infrastructure and industrial projects while delivering superior economic, financial and social returns.
